Slides and Notes

- Lecture slides will be uploaded on Moodle on Saturdays.
- Students are expected to take their own notes during class.
- Slides are visual aids meant to go in support of lecture notes taken by students
- Reference materials in green on the slides are important.
- Other reference materials - not required to read, but pay attention in class when it is discussed.
- It is not possible to put all or most words said during the lectures on the slides, it makes the slides cluttered.

Mid-sem and End-sem will be open-book.

You can bring ALL the HAND-WRITTEN notes you have taken in class. It will have to be in a SINGLE NOTEBOOK with your name written on it.
